## **DISCONTINUE**

Please note that we stop the production of the following items from now on. Of course we produce these items in the orders, which have been accepted already.

**\*Made in Japan**

**D0005-01**

**K1147-01**

**K1159-01**

**K2243-01**

**K2250-01**

**\*Made in Indonesia**

**D6001 (Both Asbestos and non-Asbestos)**

**K2250 (Both Asbestos and non-Asbestos)**

Due to breakdown of metal molds and little order for these items recently, we have decided to discontinue the production.

If you have any question, please do not hesitate to ask us.
